

WE INVITE YOU TO ATTEND A Contact/Support Group

FERTILITY NEW ZEALAND, A REGISTERED
CHARITY SUPPORTING PEOPLE WITH FERTILITY ISSUES

2014

Contact/Support Groups run over three evenings in consecutive weeks. It is an opportunity to meet others experiencing infertility and gain support in an informal and relaxed setting.

Groups are run by experienced facilitators. Couples or singles who are yet to have children are welcome.

I was feeling isolated from my usual support networks and it was so good to meet people who really understood what we were going through. It is the first time I have done something like this but everyone was relaxed and friendly. I am still in contact with all the people on our contact group and it has been great to have their ongoing friendship and support. It is one of the most positive things I have done for myself in a long time. Thank you.
